Respected Sir / Madam,

Unique Identification Authority of India (UIDAI) is a statutory authority established under the Aadhaar (Targeted Delivery of Financial and Other Subsidies, Benefits and Services) Act, 2016 and is entrusted with the responsibility of managing the Aadhaar ecosystem, including enrolment, authentication and the security of identity information and authentication records.

2. UIDAI is a unique institution at the intersection of **Technology, Governance and Public Service Delivery**, operating large-scale and mission-critical digital infrastructure. Its work encompasses areas such as digital identity, authentication, information and cyber security, artificial intelligence and machine learning, cloud and data technologies, technology operations, programme and project management, policy and regulatory matters, procurement, human resource management and coordination with Ministries, Departments and State Governments.

3. A key strength of UIDAI has been its **deputation-based staffing model**, through which it brings together experienced officers from Central and State Governments, Ministries/ Departments, autonomous bodies, PSUs, academic and research institutions and other eligible organisations. This diverse pool of talent enables UIDAI to combine domain expertise with technological and administrative capabilities in delivering a national programme of considerable scale and public significance.

4. In this context, I would like to seek your support in **identifying and encouraging suitable and experienced officers from your Ministry/ Department/ Organisation to consider opportunities for deputation with UIDAI**. This association will provide officers an opportunity to contribute to a nationally significant digital public infrastructure while gaining valuable exposure to large-scale technology systems, emerging technologies, policy and implementation and coordination across different levels of Government. At the same time, the experience and expertise acquired by officers during their tenure with UIDAI can also contribute meaningfully to strengthening the capabilities of their parent organisations.

संयुक्त सचिव (.....Per.....)/
Secretary (.....Per.....)
सचिवालय / Secretariat
R.D. No. 16 93 Date 22/10/26
सचिवालय / Secretariate

5. I shall be grateful if suitable officers under your administrative control may kindly be encouraged to apply for deputation against vacancies advertised by UIDAI from time to time. The vacancy circulars are widely circulated and are also made available on the **UIDAI Career Portal** (**Current Job Vacancies | UIDAI Career Portal**).

6. I look forward to your support in enabling UIDAI to attract experienced and capable officers who can contribute to its continuing efforts towards strengthening India's digital identity infrastructure.

Best regards

Yours sincerely,

(Saurabh Vijay)

To:
Chief Secretary of all States and UTs
