**CONDITION FOR PROVIDING INDIVIDUAL WATER  
TAP CONNECTION IN RURAL AREAS**

1. The expenditure of external pipe line including fittings beyond the distribution branches and making connection with CI GI distribution branches shall be incurred by the individual concerned.
2. The Chamber should be constructed as per standard design for stop cock pipe line by the individual.
3. Arrangement for all materials including pipe, stop cock with lock and locking arrangements shall be made by you at your own expenses. Details of the same can be ascertained from the Assistant Engineer, Sub-Division No..... of the Division.
4. Place for giving connection shall be decided by the Engineer-in-charge. In case the pipe line is passing through private or Govt. land necessary clearance shall be obtained by you. In case road cutting, cost of reconditioning the road as assessed by the Executive Engineer, P H E D, APWD shall be deposited in advance, by you.
5. Payment of the water charges at the rate enforced from time to time is to be made with in 20<sup>th</sup> of every month in respect of water charges bill have been sent or not. In case of failure to deposit water charges every month, the water connection shall be disconnected with one any notice. The connection charge of Rs. 50/- (Rupees Fifty only) shall be payable in cast re-connection is decided to be given.
6. Tap connection will be for domestic purpose only keeping in view the extreme difficulty being faced to be individual. In case of any issue of water or use other than for domestic purpose the connection shall be disconnected without any notice.
7. APWD SHALL NOT BE RESPONSIBLE in case of inadequate pressure or non-availability of water at any time due to technical reason or otherwise. No deduction in water charges will be admissible in case of break down of water supply and water will be available only during restricted houses of supply as regulated by the authority concern and no overhead tanks are permitted for storage water.
8. In case you fail to adhere to saw stipulations made as above the department shall be at liberty to cancel this order or dis-connect the tap connection given to you.
